NRG is about making disciples in a safe positive community. Leaders represent the church at all times during the program.

Leaders are trained in 'Safe Ministry' expectations on appropriate interactions with younger children and peers.

Our aim is to maintain a positive, and safe environment Therefore, should any expectations be breached, church staff reserve the right to ask participants to leave the program.

There are teen leaders and kids from many churches. We don't want you to leave your church! NRG is part of the Together for Ryde Vision of serving the city of Ryde together. togetherforryde.org.au

*Missing these events requires a medical certificate or approval by a Senior Leader (extenuating circumstances). These events are mandatory for the participation of the week long program. Missing the required training days means that we unfortunately cannot have you lead in our program due to the rules and guidelines we are following.
